A Spring Prayer

Dear Creator of all seasons,

as the earth awakens and blossoms,

let my heart open to new beginnings.

May the gentle rains wash away my worries,

and the warm sunlight fill me with hope.

Bless the seeds I plant—

in the soil, in my work, and in my relationships—

that they may grow strong and fruitful.

Help me to notice the beauty in small things:

the song of a bird,

the scent of fresh blooms,

the joy of longer days.

Thank You for the renewal of life,

and for the promise that after every winter,

spring will always come.

Amen.
