## Easter Prayer

Thank you Lord, for now we know for sure  
That anything is possible.  
The eternal can taste death, and humanity rise everlasting.  
Your cross and empty tomb are the final word,  
The conclusive statement that declares hope and freedom.  
Anything is possible. Everything opens to us.

Here in your grace we stand, children of the resurrection,  
Cleansed by your sacrifice, reborn in your Spirit,  
Destined for your glory and commissioned for your service.  
Believers. Followers of the crucified but living One,  
Given to share your victory celebration and authority.

Those around us don't get it, can't see it, they just see  
An institution past the sell-by-date, beneath contempt or pity.  
Forgive us if we have lived as such!

Let today be a day of revival for resurrection perspective!  
Into our darkest corners shine your light of hope!  
Help us view our current sorrows in the context of everlasting life!  
Make your joy our strength, and our song compelling,  
An invitation to all to come, taste and see  
This Living Bread, our living Lord is good, so good!  
Blessed be your name!

Amen
