Points for Prayer

Give thanks for:

- Jesus' willingness to take our place is the eternal evidence of how much God loves us. As we contemplate the price He paid, may we also celebrate His love- and give thanks for the cross.
- The arrival of spring, new life in the garden and fields and the lengthening of days.
- NHS and key workers as they continue their valuable work in delivering high standards of care and service at this critical time.
- A faithful and loving God. His compassion, forgiveness, grace and mercy we can receive daily.
- The support of Rev. Cecil Grant and the online services over recent months.
- The return of Sunday services and the opportunity to see our church family.
- Ugur Sahin who developed the Pfizer/BioNtech Covid 19 vaccine.
- All those involved in delivering a professional and efficient roll out of the vaccine in vaccination centres.

Pray for:

- Those who are feeling lonely due to the restrictions and those grieving the loss of a loved one.
- Those who are anxious about their health and receiving treatment at home or in hospital.
- All members in the Government and N.I. Executive as they discuss and make decisions on critical issues that affect us all.
- Our children and young people who face challenges regarding their education and potential employment.
- The farmers as a busy season commences and they continue to provide high quality food.
- Our congregation during the vacancy.
