## Five Ways to Transform Your Relationship with God

- 1. Give Him your whole life:** Give yourself fully to the Lord. Give Him everything in your past, asking for His forgiveness for your sins, and healing for your wounds. Give Him your present life and circumstances; your body and mind, relationships, resources and work. Give him your future; tell Him you want to fulfil His purposes for your life. Choose to trust that His plan is good!
- 2. Get into your Bible:** Make it a habit to spend time in God's Word every day. Read it, memorise your favourite bits, meditate on it while you're doing mundane tasks, and –most of all–obey it! Trust that everything God said is there for a reason; and He wants to speak to you through it!
- 3. Talk to Him:** Talk to God about everything. Tell Him your anxieties, your fears, your problems, and whatever else is on your mind. Thank Him for all the blessings and circumstances in your life. Make time to pray about the things and people you're thinking about; and spend a little time quietly listening for Him to speak.
- 4. Bring your decisions to Him:** "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight" (Proverbs 3: 5-6) No matter how clever we are, God knows more than we do; He can see the future and all the consequences of our decisions. He wants to direct our lives down the best path.
- 5. Let God be the Judge:** There is only one Judge... and it's not us! One day, God will come and bring perfect justice into this broken world; He will hold everyone to account for all the things they have done. It is not our job to punish ourselves or other people when they do wrong things. We are commanded to forgive and to love – even our enemies.
