Points for Prayer

Loving and Almighty God, thank you for the amazing gift of prayer and the ways You move through it. Please help me to pray faithfully for others today.

Give thanks for:

- A loving heavenly Father whose love for us is strong, steadfast and eternal.
- An abundant harvest despite the unseasonal weather.
- The generosity of the congregation to the Foodbank.
- The joy of worshipping at church each Sunday
- The incredible job all the NHS workers provide on a daily basis in hospitals and local health centres. Front line and support services.

Pray for:

- God's protection for you and your family as we continue to fight Covid 19.
- NHS workers as we go beyond capacity in hospital admissions due to the second Covid surge. Pray that God will give them the strength as they work longer hours.
- Families who have lost a loved to the virus and were unable to see them due to restrictions.
- Areas that are on a circuit breaker or a tiered level of restrictions that people will obey the law.
- All those in Westminster and Stormont as they make decisions about our health service and the economy.
- All those in the Armed and Security Forces at home and abroad.
- Families who are experiencing financial hardships and are worried about the winter months ahead. Help us to keep our eyes on You and not on the troubles and trials of this life.
- Those who have become unemployed recently with few opportunities for re-employment.
- Those who are anxious about their health. The lonely and families who have lost a family member recently. May they all know the comforting presence of God.
- All our church services in November. The visiting ministers and all those who help out each week.
- For the Friday night children's ministry. That God would guide the leaders and the children would enjoy being back at church.
- Taking time to listen to God and to be quiet before Him today. God longs for us to make time for Him so He can be the priority of our daily lives and then for eternity.
